The P & C of Glenmorgan State School resolves that it supports a student dress code for Glenmorgan State School because it believes that a student dress code at Glenmorgan State School promotes objectives of Education (General Provisions) Act 2006.

In particular, the P & C of Glenmorgan State School supports the intention of a student dress code in providing a safe and supportive teaching and learning environment by:

- ready identification of students and non-students at school;
- eliminating distraction of competition in dress and fashion at school;
- fostering a sense of belonging; and
- developing mutual respect among students through minimising visible evidence of economic or social differences.
