## From the Principal's desk.....

Easter holidays seem like a long-lost memory and we are almost half way through term 2 – I keep on asking where has the time gone? The students have been working hard on new units in English, Maths, Science and The Arts and we have a few busy weeks ahead as we prepare for the end of semester 1.

## CROSS COUNTRY

On Wednesday 24 April, our school attended the cross country and ball games sports day at The Gums. Congratulations to MacGregor, who was reserve age champion for his age group. Our students all acquitted themselves well in the running and joined with Teelba and Hannaford students to make up the numbers for the ball games. Lots of giggles and fun were had as they shared events with other schools. Thank you to families for transporting students and equipment to and from the event.

## ANZAC DAY

Most of our students and staff marched in the ANZAC Day parade in Meandarra. Students all looked very smart in their correct uniform and quite a few schools from our district were participating. Congratulations to all ANZAC competition winners, especially Emilee and Madeline from Glenmorgan. All the children's work was on display in the hall and I think the judges must have had a difficult time this year as the work standard was impressive.

## WRITERS CAMP

We had one student attend the Writer's Camp at Columboola in early May and by all accounts a lot of fun learning occurred. We are proud to have created links within our district and region so we can provide opportunities like this for our learners. Living and learning in a small school does NOT limit your opportunities.

## PRINCIPAL'S MEETING

We had Principals from 7 other schools within the Tara cluster come and hold their term 2 meeting at Glenmorgan last week.

As part of this meeting, the principal conducted a 'walk through' where they come into the classroom and talk to the students. I think some of our students were a little overwhelmed having more adults than children in the room. Even so, they spoke of their learning and shared information about what they doing at school and I am very proud of each of them.

## DRUMMING WORKSHOP

We have a drumming incursion coming to the school on Thursday 16 May. Permission forms will come home next week. There is no cost to families for this and I'm sure the students and staff are going to have fun!

## ROOKIE ROLLERS

This term we are using our Sporting Schools Grant to learn how to Bowl, through the Rookie Rollers Program. These sessions are due to start on 14th May (date may be changed). Final details are yet to be confirmed, and we will send more information home once they are put in place. We look forward to the students experiencing something a little different!

## HAPPY MOTHERS DAY

We would like to wish all the Mothers in our community (and beyond), a wonderful Mothers Day. We hope you can enjoy some family time over the weekend. The world needs mothers..... the original Superheroes!

## LEICHHARDT HOUSE

STUDENT HOSTEL CHINCHILLA

*Keeping Kids in the Country*

Leichhardt House provides accommodation for year 7-12 students attending high school in Chinchilla.

TAKING  
ENROLMENTS  
NOW

A great opportunity for country kids to board in town throughout the week, attend a reputable high school and participate in extra-curricular school activities such as sport and music. Facilities include allocated study spaces, rec shed, gym, large backyard, basketball court, cricket batting cage and bbq area.

The hostel is managed by a committee of parents, school representatives and community members. Caring house parents run the hostel and ensure students are provided for in a secure, family like environment.
