

# INTERNET ACCESS AGREEMENT

## **PARENT OR GUARDIAN**

I understand that the Internet can provide students with valuable learning experiences, it gives access to information on computers around the world, however the school cannot control what is on those computers. A very small part of that information can unfortunately be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe my student understands this responsibility, and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.

## **STUDENT**

I understand that the Internet can connect me to much useful information stored on computers around the world.

While I have access to the Internet:

- I will use it only for educational purposes.
- I will not look for anything that is illegal, dangerous or offensive.
- I will: (a) clear any offensive pictures or information from my screen; and  
(b) immediately, quietly, inform my teacher.
- I will not reveal home addresses or phone numbers - mine or anyone else's.
- I will not use the Internet to annoy or offend anyone else.

I understand that if the school decides I have broken these rules, appropriate action will be taken. This may include loss of my Internet access for some time.
