8 INFORMATION

What is this consent for?

This Consent Form authorises the Department and the State to use the Individual's personal information and copyright material, together with information about the Individual's participation in Departmental and State initiatives, for any use by the Department and the State associated with the purposes identified in Section 2 of this Consent Form. The consent covers the entire or partial use of the Individual's personal information and copyright material in conjunction with other words and images.

For example, the Individual's personal information and copyright material may appear in school or TAFE newsletters, magazines, websites and other school, TAFE, departmental or State publications, as well as in television advertising, videos, brochures, forms, public relations displays, annual reports, press advertising, internal documents such as manuals, websites, certificates and strategic plans, and posters and other promotional material. There may also be occasions on which the Department may approve the media, such as local newspapers and television stations, using information and copyright material in relation to the Individual (for example, where the Individual is involved in dramatic or musical performances, sporting activities or award ceremonies).

The Department has specific policies and guidelines in relation to publication of student images on the Internet (see, for example, *Web Publishing for Schools* and *Publishing Student and Staff Information on School Web Sites*). These policies and guidelines may be viewed at www.education.qld.gov.au.

What is copyright material?

An Individual's copyright material may include written work (e.g. stories and poems), paintings, pictures, drawings, designs, photographs, videos, films, music, performance, recordings, computer programs, websites, sculptures, fashion, metal- or wood-works made by them or to which they contributed. In the case of students, it includes, but is not limited to, work that they create in the course of their studies during the time they are enrolled at a State school. These materials may form part of their academic assessment or be part of their studies generally and may attract copyright.

The Department understands that students and volunteers generally own the intellectual property rights in the material they create and that this Consent Form is not meant to transfer the Individual's ownership of the intellectual property in their copyright material.

to use copyright material, image, recording, name or personal information

This Consent Form does not provide for copyright consent in relation to copyright works an Individual creates in the course of employment (whether or not the material is created in normal work hours or using departmental facilities or equipment). Where copyright material is created by a State employee while performing their duties under the terms of their employment, the copyright is owned by the State as the employer (section 35 *Copyright Act 1968*). There are limited exceptions to this including, for example, where the copyright material is created by an employee pursuant to a prior agreement with the employer.

Generally, the deciding factor is whether the employee is performing their official duties. In addition, section 176 of the *Copyright Act 1968* applies where the work was created by or under the direction or control of the State. However, moral rights may still apply to copyright material created by an employee. The *Queensland Public Sector Intellectual Property Guidelines* provide further information on intellectual property. If as an employee you have any further queries about the ownership of the intellectual property in respect of the works you create you should contact the Legal and Administrative Law Branch.

What is personal information?

Personal information includes information or opinions, whether true or not, about an individual whose identity is apparent or can reasonably be ascertained from the information or opinion. This includes the Individual's name, recording or image. It also includes the Individual's educational information such as the Individual's assessment and results, and health information and court orders provided to the Department, where such information may enable the Individual to be identified.

Why is a Schedule used?

A Schedule may be attached to this Consent Form describing a specific use of the Individual's copyright material or personal information, either because the use falls outside the purposes listed in Section 2 or to confirm the consent in this form.

What happens to the Consent Form once it is completed and signed?

The Consent Form is retained by the Department and it will be placed on the Individual's file and or the project file. The Individual or Signatory may request a copy of the signed form by contacting the Principal of the school or the Institute Director of the TAFE Institute, or in the case of employees, by sending a request in writing through the District Office.

What if I give my consent and later change my mind?

This consent will be in effect for the period described in Section 3 of the Consent Form. The consent can be modified or withdrawn at any time by writing to the Principal of the school or the Institute Director of the TAFE Institute, or, in the case of employees, by writing to the District Office. However, any changes will apply only from the date that the Department receives any consent withdrawal. Any existing material will not be withdrawn from use if the Department or the State is currently using the material or where the Department or the State has entered into contractual obligations in relation to this material. In such cases the withdrawal will be effective after the Department or the State's use is complete or after the contractual obligations come to an end.

Privacy

Your consent to the recording, use and disclosure of the Individual's personal information and Individual work is required in accordance with the *Copyright Act 1968* (Cth), the *Education (General Provisions) Act 2006* and the *Information Privacy Act 2009*. Personal information will be stored securely. The Department will only disclose the Individual's personal information in accordance with your consent, except where authorised or required by law. If you wish to access or correct any of the personal information on this form or discuss how it has been dealt with, or if you have a concern or complaint about the way the Individual's personal information has been collected, used, stored or disclosed, please contact the relevant organisation, school or TAFE Institute.
